Thunder Over Niagara Open House Will Be September 10 - 11

NIAGARA FALLS ARS, N.Y. –The Niagara Falls Air Reserve Station and the Niagara Military Affairs Council (NIMAC) is excited to announce the 2011 Thunder of Niagara Open House. This year's featured act will be the United States Air Force Thunderbirds

A wide variety of military aircraft, aerobatic airplanes, and vintage war birds will also be performing and on static display. After an unfortunate postponement of this event last year, Thunder Of Niagara airshow officials are confident that this year's event will be worth the wait.

The two-day event will be held at the Niagara Falls Air Reserve Station on September 10 - 11, 2011 and is FREE to the general public. Details on the theme, times, and parking will be released at a later date. For more information on the Thunder Over Niagara Air Show please visit the web site at: <http://www.niagaraairshow.com>
